1. RATIONALE

The purpose of this policy is to ensure that the school adopts an admission process that:

- provides a defined, transparent and barrier free process for admission;
- holistically provides high quality education, allows students to capitalize on their abilities and maximize their full potential;
- ensures that students who experience *Special Education Needs and Disabilities* (SEND) will be provided with the support, accommodation and curricular modifications required to enable equitable access to educational opportunities;
- supports preference for “sibling priority” to students who experience *Special Education Needs and Disabilities* (SEND), subject to availability of seats;
- aims to be inclusive at all times unless it is not possible to fully support the particular child due to constraints beyond our control e.g. infrastructure or personnel; and
- ensures compliance with the requirements of ‘*Dubai Inclusive Education Policy Framework (2017)*’ and ‘*Implementing Inclusive Education: A Guide for Schools (2019)*’ ‘*Directives and Guidelines for Inclusive Education*’ (Jan. 2020), and ‘*Advocating for inclusive education - A Guide for Parent’s (March 2021)*’.

2. POLICY STATEMENT

We admit students in line with the KHDA regulations ensuring that our admissions process is as clear and hassle-free as possible. We are proud of our visible commitment to diversity, and we impart high quality education in line with the school’s Vision and Mission statements. An ethos of positive classroom culture and inclusive education permeates all aspects of the school system that develops qualities such as compassion, tolerance, respect for the rights and cultures of all people, and the development of environmental responsibility in our students. Our aim is to foster an atmosphere of academic excellence, intellectual inquiry, critical thinking, and innovation. Finally, we guarantee fair practice of enrollment in all grades without any discrimination of gender, caste or religion.

3. SCOPE

The principles and procedures set out in this policy apply to the various stages of admission support available to all applicants.

4. ADMISSION CRITERIA

Pre-KG and KG 1

Admission to Pre-KG and KG 1 is based on the following:

- Age - child seeking admission to Pre-KG should be 3 years old as on 31st March of that academic year;
- child seeking admission to KG 1 should be 4 years old as on 31st March of that academic year;
(*subject to changes as informed by regulatory authorities*);
- Assessment - an assessment session to ascertain child’s ability in independent speech and physical development to attend a pre-school. During the assessment, special efforts are taken to identify children with special needs. This will enable the school to provide adequate support to students of determination in the class;
- Admission to Pre-KG is offered as per availability of seats;
- Admission to KG 1 is offered strictly on a lottery basis;
- Capacity - total intake of new admissions in Pre-KG and KG1 is completely dictated by capacity;
- Management discretion – number of seats reserved for each year.

KG 2 TO GRADE 4

Eligibility for admission is based on the following:

- fulfillment of relevant age criteria as laid down by the Ministry of Education, UAE;
- submission of previous school and grade records (Transfer Certificate and progress reports) for applications in Grade 2 and above;
- Performance in the Eligibility Test;
- Admission is offered:
 - if the student clears the minimum performance criteria for each level
 - based on the student's rank in the merit order list
 - if the rank in the merit order list with falls within the vacancies available for that grade level for that year.

5. ADMISSION SUPPORT FOR STUDENTS OF DETERMINATION

School welcomes students of determination and has a learning support program, addressing the individual needs of all students including special needs, gifted and talented. In the case where a child's specific need has not been previously identified, the school reserves the right to review the admission in order to assess the capacity to address his/her needs within their existing level of provision. Parents are requested to work closely with the school if a particular educational need is identified during or following the admission process.

- All admissions are made in accordance with the rules and regulations of the **Ministry of Education, UAE**. and ensures compliance with the requirements of '**Dubai Inclusive Education Policy Framework (2017)**', '**Implementing Inclusive Education: A Guide for Schools (2019)**', '**Directives and Guidelines for Inclusive Education' (Jan. 2020)** and '**Advocating for inclusive education - A Guide for Parents' (March 2021)**.
- The school supports preference for "sibling priority" to students who experience Special Education Needs and Disabilities (SEND), subject to availability of seats.
- Parents of any child, who experiences SEND are requested to indicate this on the application form and provide comprehensive details, including any available school progress reports, Individual Education Plans (IEPs), and previous medical or psycho-educational assessment reports. Sharing this information enables the school to plan and provide the most appropriate support for the child.
- The Circle of Inclusion and Wellbeing conducts the screening and assessment of the applicant and in consultation with the Principal, determines whether the school is able to meet the applicant's needs and make the necessary provision available.
- School proactively identifies practices that may restrict, limit or prevent a student from accessing education alongside their peers, and plans action to ensure minimization of any impact upon a student's learning experience and outcome.
- In exceptional circumstances, an enhanced level of provision may be registered through an individualized service agreement with KHDA including a stated individualized service fee.
- In exceptional cases where the school denies admission to a student of determination, the decision will be made in accordance with KHDA policies and procedures, with clear criteria and rationale.

6. PROVISION FOR SPORTS

The sports committee reviews and recommends admission requests made in the category 'excellence in sports'.

- A list of applicants based on the applicant's sports background and certificates is forwarded to the Sports committee.
- The applicants' portfolio is scrutinized and if the applicant has a winning record in a particular field, the sports committee forwards the names of such applicants for direct admission, if the particular sport is prioritized by the school.
- This list is approved by the Principal and forwarded for CEO's approval.
- Final approved list is forwarded to the Registrar's office for direct admission under sports quota.

Deserving applicants are determined as follows:

- CBSE National level certificate holders (CBSE listed games)
- State level position holders (Some games may not be listed in CBSE e.g., cricket)
- CBSE cluster champions (Individual games e.g., swimming)

7. PROCEDURE FOR ADMISSION AND REGISTRATION
